## ... Introductory ...

The HILL DIRECTORY COMPANY herewith presents the 1908 edition of the NORFOLK & PORTSMOUTH CITY DIRECTORY, which we feel confident the public will find superior to any previous issue. No one can dispute the fact that a City Directory is the greatest medium through which a city can show to the world its growth and business enterprises in a way that they can be readily read.

This book contains many valuable departments for the use of the public as follows:

**Page 1215 MISCELLANEOUS DEPARTMENT ALL GENERAL INFORMATION.**

**Page 761 STREET AND HOUSEHOLDERS.**

**Page 33 ALPHABETICAL LIST OF NAMES.**

**Page 687 BUSINESS OR CLASSIFIED LIST.**

With 1908, Norfolk started on a new era in its history. Now the world knows that when Norfolk undertakes anything it means to carry it through. Norfolk, as a city, was not responsible for the management of the Exposition. The world has read and heard of Norfolk in one way or another, and now Norfolk will have to push all its different enterprises and different lines of business, taking advantage of the enormous advertising to realize on its advertised assets.

The Hill Directory Company has placed a Norfolk Directory in every Directory file in this country so as to enable the stranger far and wide to ascertain all the information possible at the smallest outlay of time.

Our file of Directories of other cities is very complete in our office, Room 307, Law Building, which all our friends and customers can consult free of cost.

Let all remember that our office is always open to the merchants and visitors of this city for any information that it is in our power to furnish.

We can say with a great deal of pride as well as pleasure that we have done as well on our 1908 book as we did on our 1907. This speaks volumes for the push and enterprise of our friends and the merchants of Norfolk and Portsmouth for no other Exposition City has such a record to present to the public.

Beware of the man who solicits your directory advertisements unless he can show authority from some one you know.

Our office at 307 Law Building holds itself ready to answer any question on this subject that our patrons feel inclined to ask.

Thanking the public for their generous patronage and kindness in aiding us in this work, we remain,

Yours respectfully,

HILL DIRECTORY COMPANY,  
Directory and Almanac Publishers,  
307 Law Building, Norfolk, Virginia.

Member Association of American Directory Publishers,  
General Offices—Mutual Building, Richmond, Va.

## **Mr. Business Man:**

THIS DIRECTORY IS ISSUED ANNUALLY.  
No other medium in the world gives the  
information contained herein, therefore, it is  
CONSULTED DAILY for TWELVE MONTHS  
until a new edition is issued : : : : :  
What better medium to gain publicity FOR  
YOUR ADVERTISEMENT? Glance over the  
many advertisers in the Directory—note among  
them the most progressive and prosperous  
merchants.

Norfolk is the Fourth Cotton Port in the United States, the receipts for the year ending August 31st, 1907, being 604,226 bales.

Transportation facilities of such magnitude naturally attract an immense volume of business through the port, the total valuation for the year 1906 being estimated at \$822,000,000.00.

Lumber Industry one of the largest in the South, 700,000,000 feet being handled during the year 1907, exporting logs, squared timbers and staves to the amount of an additional 80,000,000 feet.

Largest Peanut Market in the World, 3,500,000 bushels being handled during the year 1907.

Four thousand persons engaged in handling Oysters, the total output for 1907 being about 3,500,000 bushels—value of Fish and Oyster business year 1907, \$1,000,000.

Aggregate value of Truck handled, \$8,000,000.

Fertilizer output year 1907 aggregated 250,000 tons.

Not the least attractive feature of Norfolk is its ideal Summer Resorts—Ocean View, Virginia Beach, Pine Beach, Cape Henry, Willoughby Beach and Old Point, each of these being in close touch through the medium of excellent Electric and Steam Railways. Its popularity in this respect is attested by the fact that during the past summer approximately 120,000 excursionists were brought into Norfolk in addition to the regular passenger traffic.

It is safe to assert that no community in the country offers better opportunities to those seeking either investments, locations for manufactories or delightful homes.

Norfolk, with a harbor 30½ feet deep at high water, is the terminus of eight railroads, nine coastwise and domestic steamship lines and regular foreign steamers to London, Liverpool, Glasgow, Hamburg, Bremen, Amsterdam, Rotterdam, Antwerp, Cuban and Mexican ports.

Railway Lines—Southern Railway, Atlantic Coast Line, Seaboard Air Line, Norfolk & Western Railway, Norfolk & Southern Railway, Chesapeake & Ohio Railway, New York, Philadelphia & Norfolk Railroad, and the Virginian Railroad. Total railway mileage, 19,277, being 9% of the total railway mileage of the United States, enters Norfolk.

Steamboat Lines—Merchants and Miners Transportation Co., to Boston and Providence; Old Dominion Steamship Co., to New York daily; Clyde Line Steamship Co., to Philadelphia; Chesapeake Line and Baltimore Steam Packet Co., to Baltimore daily; Norfolk & Washington Steamboat Co., to Washington and Alexandria daily; Old Dominion Steamship Co., and Virginia Navigation Co., to Richmond and James River Landings daily; Weems Line to Rappahannock River Landings; and the Old Dominion Steamship Co., to Smithfield and Suffolk. Aggregate tonnage of the regular steamers plying to and from this port is 76,266 tons.

CAN

# CANCER BE CURED?

IT CAN

**WE WANT EVERY** man and woman in the United States to know what we are doing. We are curing Cancers, Tumors and Chronic Sores without the use of the knife or X Ray. We are endorsed by the Senate and Legislature of Virginia. Come and see what we have done and are doing; if then you are not satisfied that we do all we claim we will pay your railroad fare.
